XYZ HOSPITAL

working today to meet tomorrow's needs

HOW **YOU** CAN HELP

When you contribute to XYZ Hospital, you help us translate discoveries into cures, elevate patient care, and improve quality of life. Together, we have the power to touch millions of lives and alleviate suffering in our community and throughout the world.

Direct your gift to an area you care about:

- Medical Research
- Patient Treatment
- Physician Education
- Nurse Education
- Facilities

...or any other area at XYZ Hospital

Here at **XYZH**, we have an entire team of people whose job it is to work with patients and families to explore how they might like to be engaged in supporting our work.
