UPDATES

Where We Stand

- **5,450** students enrolled
- Students from **47** states and **52** countries
- **1** out of every **4** students have scholarships
(20% increase in 5 years)
- **Half** of students engage in international experiences
- **2** out of every **5** students participate in internships/co-op programs

UNIQUE CHALLENGES

What We Face Today

- Making a liberal arts education **accessible to a diverse population** during challenging economic times
- Preparing our students to lead and succeed in a **rapidly changing, global market**
- Providing **real-world** work and learning experiences for students

OPPORTUNITIES

& the Dean's Priorities

- Increase the number of scholarships available in **underserved disciplines**
- Provide **international experiences** to 100% of undergraduate students
- Expand **internship/co-op program** to offer work experiences for 80% of junior and senior class
